3 Force Majeure
Neither party hereto shall be considered in default in the performance of its obligations to the extent that performance of any such obligations is prevented or delayed by acts of God, war, riot or other catastrophes beyond the reasonable control of the party unless the act or occurrence could have been reasonably foreseen and reasonable action could have been taken to prevent the delay or failure to perform. A party defaulting under this provision must provide the other party prompt written notice of the default and take all necessary steps to bring about performance as soon as practicable.

These identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Contractor to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.

Venue for all legal proceedings arising out of this Contract, or breach thereof, will be in the state or federal court with competent jurisdiction in Ramsey County, Minnesota.
