Amendments to contracts must entail tasks that are substantially similar to those in the original contract or involve tasks that are so closely related to the original contract that it would be impracticable for a different contractor to perform the work. The commissioner or an agency official to whom the commissioner has delegated contracting authority under section 16C.03, subdivision 16, must determine that an amendment would serve the interest of the state better than a new contract and would cost no more. An amendment should be in effect before the contract expires.

Complete Appropriate Box(es) for the amendment submitted.
