

## COOPERATIVE AGREEMENT for use of WSCA/NASPO PC Contracts 2004-2009

This Joint Powers Agreement is between the State of Minnesota, through its commissioner of Administration, Materials Management Division ("Division") and Ridgefield Public Schools, Ridgefield, Connecticut ("Authorized Governmental Unit").

Pursuant to Minn. Stat. § 16C.03, subd. 10, the Division acquires various supplies, commodities, equipment, and services for state agencies and governmental units (as defined in Minn. Stat. § 471.59, subd. 1) through competitive bidding or requests for proposals. The Division, through Minn. Stat. § 16C.11, and the Authorized Governmental Unit wish to combine their purchasing functions, as specifically provided below, so that the Authorized Governmental Unit may avail itself of the prices which have been agreed upon by the Division and its vendors.

This cooperative agreement is intended to make the WSCA/NASPO PC Contracts ("Contracts") that the Division leads and manages for WSCA/NASPO available to the Authorized Governmental Unit.

The WSCA/NASPO PC Contracts are effective on September 1, 2004, and will expire on August 31, 2009, permitted extension are not exercised.

### The parties agree as follows:

1. **Term.** This cooperative agreement will be effective on the date Division obtains all required signatures under Minn. Stat. § 16C.05, subd. 2, and remains effective until the WSCA/NASPO PC Contracts expire, based on the Division's management of these contracts. Unless the Authorized Governmental Unit chooses to set a different date, this cooperative agreement has the same "term" as the basic WSCA/NASPO PC Contracts. This cooperative agreement may be canceled by either party upon 30 days' written notice to the other party.

2. **Services.** The Division will make the WSCA/NASPO PC Contracts, listed on the WSCA website, available to the Authorized Governmental Unit. These services are provided, by Division for WSCA/NASPO, in return for the volume Authorized Governmental Unit adds to the cooperative.

3. **Use of WSCA/NASPO PC Contracts.** After this cooperative agreement has been executed, to be eligible to purchase from the WSCA/NASPO PC Contracts, the Authorized Governmental Unit must sign a separate Participating Addendum with each of the Contractors on the WSCA/NASPO PC Contracts. Each Participating Addendum acts as a Authorized Governmental Unit amendment to the basic WSCA/NASPO PC Contracts, defining Authorized Governmental Unit unique requirements, terms and conditions. The Authorized Governmental Unit will not use the goods available under the Division's contracts for the purposes of resale and the Authorized Governmental Unit must be the end user of the goods purchased.

4. **Liability.** The Authorized Governmental Unit agrees that neither the Division nor its employees personally assume responsibility or liability for any amounts due or claimed to be due pursuant to any purchase order entered issued by the Authorized Governmental Unit. The Authorized Governmental Unit will indemnify, save and hold harmless the Division and its employees from any loss, damage or expense, including payment of attorney fees allowable by law, which arise or may arise from the Authorized Governmental Unit's use of this cooperative agreement and from any dispute or claim arising from any transaction between the Authorized Governmental Unit and the Division's vendors, whether or not the loss, damage, dispute or claim arises during or after the period of this joint powers agreement. The Division's liability is governed by the provisions of Minn. Stat. § 3.736.

### 5. **Assignment, Amendments, Waiver, and Contract Complete**

**Assignment.** The Authorized Governmental Unit may neither assign nor transfer any rights or obligations under this agreement without the prior written consent of the Division and a fully executed Assignment Agreement, executed and approved by the same parties who executed and approved this agreement, or their successors in office.

agreement, or their successors in office.
