Dell Web Enhancements Coming Soon!
WSCA/NASPO Customer Web-Cast Scheduling for upcoming 8/11 launch

Attached is our Customer Web Cast Schedule with conference number, pass code, web-cast-URL, and meeting ID. Target Launch Date for web enhancements is August 11, 2006 for WSCA/NASPO customers.

To ensure a smooth transition, we recommend you attend one of the web-casts below and archive any templates you currently have.

"Templates" will be deactivated and replaced with the new "Wish List/Saved Items" feature when the enhancements go live. Saved Templates will not migrate over! Please ensure that you have either converted your templates to E-Quotes or printed a copy of your templates "prior" to 8/11 so you will have the information for future needs. If you have any questions about your templates or how to convert to an e-quote or print, please contact your inside sales representative at Dell.
